

FISCAL NOTE

SB 1085 - HB 744

February 15, 1997

SUMMARY OF BILL: Directs the Commissioner of General Services, whenever practicable, to provide lighting patterns of the Tennessee Tower in Nashville for holidays and for appropriate messages from local non-profit organizations and causes.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$8,000

Assumes current staff will manually set window blinds and chart lighting patterns for each message. The increase in state expenditures represents the annual cost of electricity for such message lighting.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
